

# AN ALTOGETHER BETTER SUPPLY CHAIN SOLUTION

Barloworld Logistics' pioneering approach to supply chain management has made us the partner of choice for re-engineering some of the most sophisticated supply chains in the world.

**Through our holistic approach and original thinking we're able**

**to create supply chains that are dynamic, agile, responsive and visible, utilising a performance-based approach that performs optimally.**

We understand that your business is unique, which is why our solutions are completely customised. Whether you need

to know how a change in manufacturing processes will impact your distribution, a redesigned distribution network or a practical plan, our scenario planning, modelling and analysis tools combined with our expertise and resourcefulness ensures you get a solution that truly

supports your business objectives with continuous improvement.

**Our people are our difference**

**Our account management teams and consultants see themselves as an extension of your business from design to the on-going management or operation of your supply chain where our commitment and collaboration form the foundation of every partnership.**
